## Scholarship Program

"We, at SGCLC, commit to reward the performers and support the needy students through various scholarships available"

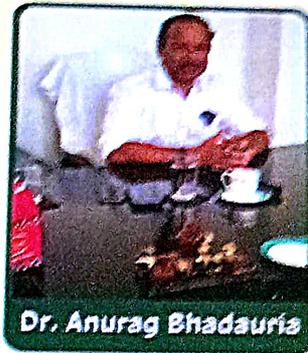

Shree Geet Law College is a premier institution in the field of education. It was set up in the year 2018 under the aegis of Society. The management committee, represents a team of entrepreneurs, educationists & professionals committed to the cause of quality education.

Shree Geet Law College is another landmark and educational establishment of society. No other law college exists in this area and it is the first of its own kind to attract the attention of student from different parts of north India. This college have separate land and a separate large building with rooms which are very well equipped with instrument and aids needed for teaching the course efficiently this college extends facilities to provide instructions in various disciplines of law and allied fields. The college prepares student, during this three to five year/course, to equip them with the latest trends in the field of law so that they may become efficient professional after getting LL.B. or B.A.LL.B. degree from the University..

## Management Message

The purpose of Society is to produce individuals geared to change, capable of initiating and expounding new ideas suitable for the new world by providing high quality stimulating teaching-learning environment. In the present Indian Scenario, youngsters have to play an important role in the development of the country. With the advent of globalization and privatization in educational system, paradigm shift was triggered towards value added, job oriented professional courses, which not only help young citizens in getting jobs but also generate opportunities..

Shree Geet Law College Society, dedicated to serve the community and the country as a whole, for the fulfillment of the genuine needs of quality education, primarily in the field of Law, three and five years courses. These professional courses strengthen skills and expertise of students and enable them to meet new challenges in Industry and Society.

Dr. Anurag Bhadauria
